- **You can advise students the following information, and that they can apply for the new dates once they are posted on February 7.**

#### **Q: What dates can I next apply for?**

A: The next enrollment date is February 6, 2023. After this enrollment, we will be launching the new start and end dates on our partner site the morning of February 7, 2023. You will not be able to apply for these dates until after February 6.

#### **Q: Will the February 6 enrollment date be different?**

A: No, February 6 will act like all previous enrollment dates, and we will accept applications until 11:59 PM ET. After February 6 we will have enrollments every Monday, and students will have until 6 PM ET on these days to submit their applications.

#### **Q: What if I want to apply for a Monday start date in March 2023?**

A: You will need to wait until those dates are posted on the morning of February 7, 2023. After these dates are posted, they will become available on the application.

#### **Q: Do I have to apply differently now?**

A: No, the voucher application process and the STARC application process will remain completely the same. You will need to obtain a voucher from EdAssist/BrightHorizons, and then once you have that voucher you will apply to your first semester (or subsequent second semester) at the Penn Foster STARC application site: <https://partner.pennfoster.com/gm-uaw> . Our Support team can assist with any questions you have regarding the STARC application process.

#### **Q: What changes about the enrollment?**

A: Enrollment will now take place every Monday for those who have been approved for a voucher. You can apply for enrollment up until 6 PM ET on the day of that enrollment. After 6 PM ET, you will have to begin applying for the next start date, which will be the following Monday. Remember, start and end dates are posted to our partner site to help guide you in this process: <https://partner.pennfoster.com/gm-uaw> .
